The Honorable James Clyburn  
Chairman  
Select Subcommittee on the Coronavirus Crisis  
2157 Rayburn House Office Building  
Washington, D.C. 20005

Dear Chairman Clyburn:

I am writing in response to your May 8, 2020 letter regarding the Paycheck Protection Program (PPP).

MiMedx Group, Inc. has repaid the PPP loan received. As announced previously, the Company applied for the loan to protect jobs and maintain operations during the pandemic. Owing to MiMedx being delisted from NASDAQ and not having access to public markets, access to PPP enabled the company to maintain full employment during a time of widespread uncertainty and continue to produce skin-graft products for patients with serious unhealed wounds and burns.

Thank you for the opportunity to share this information with you.

Sincerely,
